 - What is the time we nominate for commencement of such event that

does not interfere with our own events?

- It may be helpful if the basic ages of children were known (and their number) as well as a guide to the sex breakup of the adults.
- Should the Ladies also receive this information from Megan to make them aware of our responsibilities?
- Obviously, on this day (or other Corporate Saturday afternoons, our Raffle will not be done. (Obviously the Club would need to be advised to cancel our prizes).

The above information would give us advance notice of the sizes of bowls for adults and/or whether kids equipment is required.
