3. Reports

3.1 President

This is my last report for the 2011/2012 year. When considering what has taken place over the last twelve months, we have taken a number of big steps and accomplished more than I expected. There has been an improvement in the greens, new uniforms are now in place, a member's survey completed, the inaugural Challenge Cup between West Pennant Hills and Pennant Hills has been held, training programs developed, the Open Day requirements have mostly been completed as well as the staging of the Turn Around Triples and the Koala Carnival. On top of these achievements, internal and external championships have been held as well as acting as host for the Zone Senior Pairs and Singles events.

I would like to thank the Committee as a whole for your support during the year. All of you have played a part in making sure the requirements have been completed. Your positions are voluntary and without your commitment, the Men's Bowling Section would not function. I sincerely appreciate what has been done. I hope 2012/2013 will be as successful.

Congratulations to Rod Gamble in winning the Minor Singles competition. I would like to mention Kevin Hoffman who has played in the last three finals. Kevin has always been gracious and it has been hard to watch him go down by one point on two occasions. It is a credit to Kevin and I hope that he has success in this event in the future.

The combination of Steve Brady and Norm Jackson has won the Minor Pairs competition. Congratulations to Steve and Norm. To Max Walters and Con Ganis, both of you played well. With one point separating the teams shows the closeness of the game.

For the second year, West Pennant Hills bowlers have been successful in winning the Zone 10 Triples. The combination of Warren Phillips, Micheal Schwarcz and Mathew Stubbs defeated Merrylands in the final which was played at Northmead. On behalf of all the bowlers at WPH congratulations on your win.

3.10 Greens

In the last twelve months a lot of improvement has taken place in relation to the quality of both greens. Comments made internally and externally have confirmed this position. I hope there will be further improvement in the next twelve months. I cannot see why this should not occur as we have an excellent greenkeeper in Steve and a close working relationship has developed.

Both greens are holding up well during the winter months. We only have one more month of winter to go and we head back into the growing season. There are still concerns about drainage in the North West corner of the bottom green as well as the shadows cast by trees which limits the drying process. These problems need to be addressed.

Currently, a trial is being held to remove the twigs and gumnuts that fall on the top green. The purpose of the trial is to try and eliminate as much of the material as possible. In the next few weeks, the results will be evaluated. The Sports Club Board is supportive of the trial and the purchase of equipment.

To the Greens Committee, thank you for your support. What has been achieved has stopped a lot of comments that have been made in the past some justified and some not justified.

3.11 Coaches

Warren Phillips has drafted a revised coaching guide which will be discussed at the next Coaches meeting. The proposal reduces the rigidity of previous method. It incorporates planning of lessons in advance to ensure individual's needs are addressed.

Dallas Palm

3.12 Umpires

All events have been covered where required.

Don Couch

3.13 Welfare

Michael Dalgairns

Michael is due to see his specialist in August to determine a course of action for the calcium build-up behind his eye.

Peter Carritt

Peter returned to Sydney last week. I spoke to Peter today, and he is very happy about being home with his family. His Cardiologist here in Sydney claims he should buy a lotto ticket for he is very lucky to be alive. He is in good spirits and hopes to be able to come to the club to see us all in a few weeks.
