4. Reports

4.1 President

Greens – An update on this will be covered in a separate report.

Income – Koala Sponsorship and Green Signage will be covered in separate reports.

2014 Singles Championships – All three singles events have now completed their Semi-Finals. All Finals will now be held on Saturday 26th April 2014. Invitations have been sent to 15 past winners and we awaiting their replies.

Pennants – We are off to a good start. The details will be covered in a separate report.

New Membership: The Asian Community in our area is quite large and I wondered how we would be able to introduce or entice this community to 'av a go' at Bowls.

There is a **Chinese Community Association** based in Cherrybrook (**which our Club supports financially as an organisation**) which could be contacted through the Club or at: CCCA, P.O. Box 88 or ccca@ccca.ccca.asn.au or 9875 3336.

We could offer a free Open Day if thought worthwhile.

The Chinese represent close to 10% of Cherrybrook and West Hills population.

Twilight Bowls: Finished for the year, Thursday April 3rd 2014. The year commenced with favourable weather and the numbers increasing weekly up until half way through the season with a record night ever of 41 Twilight Bowlers.

The numbers commenced going down (I don't think it was something I said!), as the regular women bowlers were being more involved in Thursday Club Bowls or Pennants, as well as their interest being increased by us changing the conditions for Friday Pairs commencing Jan 2014, which resulted in many of them not then also playing Twilight bowls.

Over this Daylight Saving Season we have had a total of 394 people play bowls. 230 were Bowlers and 159 non bowlers. There were 24 nights allocated for Twilight Bowls with 5 of them cancelled for weather reasons and with the actual \$ turnover being \$5,895 (with obviously additional money spent on drinks/poker machines and food).

This has been my 5th year of running Twilight Bowls (which I have enjoyed) but was seriously considering stepping down next season, until talked out of it. Therefore I will do so again (if unopposed!) for possibly my final season for 2014/2015. (An assistant would be appreciated).

I estimate that at least 12 new members have joined our Club from Twilight Bowls in the past 5 years, with myself and Kevin White having joined when Alan Cotton ran it 6 years ago.

Again thanks must go to the Main Club for really allowing us to bowl for Free and additionally the assistance I have received from Kaye Eagle and even more so from Peter Eagle, being greatly appreciated.

Registrations – With the recent loss of Wilf Morschel and Alex Stewart, our membership stands at 110. RNSWBA have been advised of our loss.

Member's Directory – as you realise by now, my earlier prophesy of having the directory issued during March has not happened. The Women's section have advised their requirements to be included and hopefully we can now get the directory produced and distributed over the next week or two.

Koala Carnival Control Worksheet – this has been redeveloped to reduce time and risk of error in determining winners, based on 28 teams.

4.6 Bowls Coordinator & Match Committee

At this stage 4 weeks out from the start of Koala Carnival we have 14 Entries (no entries received for a week and half. Tonight we need to make a decision when we cancel the event, we need to decide how many teams constitutes to keep going.

We seem to have problems with events that happen outside of the club such as TAT and the club challenge where we could only get 25 players instead of the required 30 players. This is quite embarrassing to the club.

We now know the participants in the finals of the singles.

Ken Wighton - Ross Fitzpatrick v Con Ganis

Minor Singles - David Wilson v Darren Ede

Major Singles – Warren Phillips v Peter Eagle

The finals will be held on the 26th April. We have invited all past winners of the Major Singles so far there are 3 attendees.

4.7 Selectors

Wed: Numbers continue to exceed 30 and positive feedback received by many bowlers following their games.

Fri: Numbers have dropped off a little since the new format commenced, although most seem to favour the 'single' entry format.

Sat: Social bowls have been limited due to the number of 'Reserves' required to fill Pennant sides. Last week saw 9 Pennant Players unavailable for selection.

Kevin Tuckerman

4.8 Competition Selection Panel

So far our three teams have been very successful with two of the teams being undefeated, which is a very pleasing start to the pennant year. The disappointing thing is that although we tried to circumnavigate this problem we still have people coming at the last moment saying that they are unavailable which is once again causing a lot of issues trying find players especially dipping in our reserves where players do not want play away or if there is any sun.

4.11 Greens

As both greens are now back in play, we are now in a position to rotate the greens as required. The top green although slow at this stage will improve as it settles which will take around twelve months. Steve is regularly spraying for weed and fertilising. The surface is fine, however in the western corners the grass coverage is not as good as expected. It is felt that the surface has compacted despite the removal of tree roots as well as using the ditch witch. Steve is spiking the surface areas. The green will support seven rinks in either direction so that is not a problem. As it is intended to take this green out of play first for maintenance, some thought will need to be given to see what can be done to rectify the situation.

As you are all aware, the bottom green was taken out of play for two weeks. It received a light rub in too aid the closing of gaps that were appearing in the surface. The wet weather helped during that time but has not helped the speed of the green. This will improve as it dries out. The lumps and bumps experienced previously are disappearing with more rolling of the surface.

The ditches require more sand and this matter has been taken up with Steve. I will follow up if the matter has not been rectified within the next two weeks.

The windsocks have been replaced and you should have noted that the corner flags are in better condition than has been the case in the past. To maintain the better look, they need to be removed when the greens are not in use and placed in the bowls room. Unfortunately in the past if the corner flags are left out on the bottom green it seems they become a magnet for people to remove and throw into the garden, ditch or under locker shed.

I intend to raise at the next meeting the use of the shades. A lot of time, effort and cost has gone into having the shades replaced. The women are just as much at fault as some of the men.

4.12 Coaches

As far as coaching is concerned at the moment we are coaching 3 persons (1 women and two men) we seemed to have a consistent supply of people (1 person at time).

4.14 Welfare

Alex Stewart. After a short illness suffering from lung cancer and a number of brain tumours Alex passed away on Saturday night 29th March at 11-45pm. His funeral was held at St Agatha's Catholic Church Pennant Hills last Tuesday 1st April. May he rest in peace.

Bob Cole. Bob will now be going into hospital at the end of April to have his ankle operation after doctors rejected the replacement parts because the seal had been broken and therefore not sterile.

He is a very disappointed because this is the second time the operation has been postponed. He will be out of action for about six month.

Wilf Morschel. Wilf passed away after a short illness suffering from heart ailments and swelling from excess fluid in his legs. He was in hospital for only a couple of weeks. May he rest in peace.

David Makin. David has been in and out of hospital for the last couple of weeks suffering from a bacterial infection in the brain. His wife Laurie told me the doctors are quite baffled by this illness and are unable to pin point what type of bacteria it is.

4.17 Sponsorship

Our income in this area falls into a number of categories as follows:

- Shirt Sponsorship – This remains at \$8.00 per shirt ordered and is paid by Richard Hickey.
- Score Card Sponsorship – This is split between Richard Hickey and Bill Austin. Both have agreed to contribute \$350.00 incl GST for the new scorecards which are currently being ordered. Keith will provide an update.
- Koala Raffle Prize – Bill Austin has committed to provide this again this year to the value of \$500.00 excluding GST. Steve Watson and Peter Eagle are looking after this matter. The raffle prize has now been purchased.
- Koala Carnival Sponsorship – As you are all aware we have secured \$2,200.00 incl GST from ARV to Sponsor the carnival. Minutes of the meetings thus far are available from our Secretary. The Match Committee will elaborate further on the running of the event.
- Signboard Advertising – A great deal of work has been done over the past month and following is an update as at 2nd April 2014:
