4.1 President

The 21st Annual Koala Carnival has now been and gone for another year. We had 22 teams entered which were less than we had hoped for but the day did go off without a hitch thanks to all the help and support we received from a small band of volunteers. I want to pass on a big thank you to those people who offered their help on the day and before the event, it is very much appreciated. Our new sponsor ARV was very pleased with the event and we hope to have them again next year. The Surface 2 raffle prize donated by Bill Austin of First National Real Estate proved to be a drawcard and resulted in us breaking all records for ticket sales. The Men's and Women's Bowls Sections both made a healthy profit from this raffle. We send a big thank you to Bill Austin for his donation.

Turn Around Triples – Our event is scheduled for Monday 2nd June 2014 and we have a full 28 Teams entered. Planning for the event is well progressed and weather permitting the day will go off without any issues.

4.11 Greens

As mentioned last month, there is little to report at this time. The recent warm weather has been beneficial in allowing the top green to be turned, however this will probably cease now that the westerly winds have arrived and the gum trees shed leaves etc across the green. Thankfully, the shedding is not as bad as it has been in the past due to the action taken to cull the trees.

The bottom green is holding up well. Of course there are the continual comments that some want the green to run faster and others who believe it should be slower. The drainage problem in the North West corner is still a concern during winter, but this is a matter that has to be addressed by the Sports Club. Also, the hedges have been allowed to grow higher to help reduce the noise level for the neighbours.

It will be interesting to see how the top green performs during winter. This will be its first test with the new surface. Some plugging has been completed on the Western side, which is not interfering with its use. Considering the new surface has only been in place for six months it has performed well.

4.13 Umpires

Congratulations to Kaye Eagle, passing the Umpires exams recently to join our already large pool of very capable umpires.

4.14 Welfare

Cliff Johnstone, has had radiation treatment for his prostate, everything seems to be ok.

Ken Brown, Ken is into his second dose of chemotherapy and is doing well.

Rod Roberts, recently had a pacemaker put in and was going back to have a stent inserted also.

Ray Jennings, has not been feeling well lately and told me he will not be returning to bowls in the near future.

Steve Brady, has been in ill health for quite awhile, he is now in Macquarie hospital for rest to prepare him for his upcoming lung operation, all the best Steve.

Chris Miesch, will be going into hospital to have a hip replacement done in a couple of weeks, we wish him well also.

4.16 Communications

I've been attempting to gain access to increased functionality of the BA sponsored site with no success.

We now have Twitter account for bowls - www.twitter.com/wphbowls. As with facebook, I expect this will be a slow uptake initially. Both are aimed at providing quick, live updates which direct readers to the website.

4.17 Sponsorship

Signboard Advertising – A great deal of work has been done over the past months and following is an update:

- Jason Read has obtained sponsorship of 8 signboards from Tooheys.
- Quinnys and Coochie signs are now on the greens and invoices sent.
- Anderson Lawyers have given their artwork to Signarama and we awaiting their advice to bring down the blank signboard.
- Geoff McIntosh is still working on Cherrybrook Electrical. We have reserved two signs for them.
- Cherrybrook Pharmacy is currently having their two signs renewed and is with the sign maker. My thanks go to Ian Corke who redesigned the signs for them at no charge.
- Keith Robinson is also following up Image Pools.
- Stephen Watson is following up the Club Office to obtain details of the financial position with each Advertiser.

4.18 Corporate

On Thursday 15th May 2014 we hosted some 78 people from IBM for 2 hours of fun bowls. We charged \$10.00 per head and made a tidy profit. They enjoyed the experience and we hope they come back when next they need a fun day out. My thanks go to those bowlers who gave up their time to make this an enjoyable and well run event.
